### SEEN AROUND OUR SCHOOL

Seen around the school making a difference were: Nadine Rude, Quinton, Carolynne Wilson and Pam Gorgichuk for delivering our supplies. Thank you for your help!

Whiz Kids visiting Mr. Shields' Office for completing super work this week were: Maverick, Shelby, Stevie, Shaylynn, Hayden, Osten, Selena, Michelle, Brittanie, Kagen, Carlene, Tiesha, Roper, Jonathan, Hailey and Keely. Good Job!

### MR. SHIELDS' OFFICE

**Divisional Track Meet:** an excellent effort from our teams this year with Stevie taking overall best athlete for all Junior High girls.

**Zone Track:** we have a number of athletes in competition this year and since we are running zones this year it will be a very busy day.

**Final Exam Schedule:** we have pretty much figured out our schedule this year so that information will be in your student's agenda within the next little while. We will also be sending out a schedule in the newsletter, likely next week.

**Kaleidoscope of the Arts:** both Bobby and Cathy participated this year on the main stage on Saturday with Cathy winning the best individual solo category for the show. Well done!

**Scheduling for next year:** with Ms. Vass taking on some VC classes and with the rest of deciding on how to offer some VC classes we'll be looking at basically no staff reduction for next year. There are a great number of details to be worked out but we should be in pretty good shape for next year if it all works out.

**School Council General Meeting:** we will need to have a wind-up meeting for the year so when it's convenient we'll give everybody a heads up about it so people can hear what we've got in mind for next year. As soon as we've got final staffing/budget numbers we'll let you know.

**Congratulations to Keegan!** Our agenda draw winner for this week.

**NEWS FROM MRS. CASKEY**

We had a successful ECS graduation program last night with many family and friends attending. Thank you to all the Moms for their hard work, for all the refreshments that you provided making it a special evening for everyone. Thank you for the wonderful gift.

Wishing the ECS class a safe and happy summer as well as the best of luck next Fall when you enter Grade 1.

**NEWS FROM MS. PENNETT**

Today Sierra and her mom came to visit with us. Sierra has two teeth now. She sat in her high chair and ate food. Sierra tried cooked carrots, which she had never had before. We watched her to see what faces she made. Sierra's mom fed her something Sierra didn't like, but she ate it because of the company she had. Sierra can crawl on all fours now. Sierra was making Kelten fetch her grapes! Kelten enjoyed playing fetch with Sierra. She really didn't like to get her face washed. She cried a bit not a lot. Then she smiled. Sierra knows how to wave and clap. She has more hair than last time. Sierra smiled all the time at the children.
